Clair & Friends,

Spiritual disciplines like prayer and fasting should be a regular part of every believers life. Through a consistent life of prayer and fasting the soil of our hearts are nourished for God's will to be done. I've practiced these spiritual disciples for quite some time and am the beneficiary of great spiritual growth and fortitude.

Therefore, I invite you to join me. The attached calendar is my personal schedule that you may follow. In it, you will find my prayer focus for each day and the things I am fasting from each week. Recall, fasting is more a sign of intentional commitment to sacrifice something that we pleasure in lieu of drawing nearer to God.

Should you join me in these weekly prayer and fasting rituals, please use your discretion when abstaining from food and drink. You should consult with your primary care physician before beginning any fasting regime.

Let us grow deeper in faith together.

Financial Appeal

We want to thank our members and friends who continue to sow into this ministry. Your financial contributions help us address local, state, national and international needs. If you do not currently sow into this ministry, we invite you to trust God and give. We believe, if we give, God will return it to us in good measure, pressed down, shaken together and running over. Your donation will help us continue to spread the gospel of Jesus Christ around the world.
